Patience Exhausted.

George W. Kellar has been interested for years in opening Twenty-sixth street to the river at Bellaire, and has invoked the aid of the city council frequently, but that body moves with such caution in this matter that his patience is exhausted. The city has been using the commons west of Kellar's place to bury night soil, dead animals, etc., and now Mr. Kellar has employed two men, who are digging a deep trench to prevent them getting into the commons, and declares he will prosecute to a finish any one who tries to violate the law on this score. If he sticks to his resolution the city will have to provide a crematory or something of the kind.

An Officer in Trouble.

A policeman at Bellaire was badly up at an early hour yesterday ers late the night before and just what did happen before daylight is a mystery except as to the policeman having a badly bruised head. Whether he was anying to arrest some one or whether it was a general row with the officer as a victim is not known, as the fellow did not report the affair at the city building yesterday morning. The officer's name in Tschappat, and he had not filed a complaint up to yesterday evening, but it was understood Mayor Freeze would suspend him until a full explanation was had.

Freight House Entered.

Thieves entered the Cleveland & Pittsburgh freight house at Bridgeport at an early hour yesterday morning, by prying open the large door located at the north of the building. A few small articles were missed when the house was opened in the morning, but nothing of much value was taken.

Bankruptcy Proceedings Filed.

Bankruptcy proceedings have been filed in the United States court by Henry Floto, of Martin's Ferry, through his attorney, George Duncan. The liabilities are \$12,949.22, with no assets. It is said Mr. Floto was a heavy loser in the Northwood glass plant at Elwood City, Pa., and mortgaged his property in that city to meet his share of the expenses. At one time Mr. Floto was considered one of the wealthy men of Martin's Ferry, owning a great deal of property. The liabilities are \$12,949,23, with no as-

David Gosney was arrested at Martin's Ferry yesterday morning, in an intoxicated state. In taking him to the jail he proved too much for Officer Me-Farland, who was compelled to call for assistance. Little Son's Life.

Mr. H. H. Black, the well known village blacksmith at Grahamsville. Sullivan Co., N. Y., says: "Our little son, five years old, has always been subject to croup, and so bad have the attacks been that we have feared many times that he would die. We have had the doctor and used many medicines, but Chamberlain's Cough Remedy is now our sole relance. It seems to dissolve the tough mucus and by giving frequent doses when the croup symptoms appear we have found that the dreaded croup is cured before it gets settled." There is no dauger in giving this remedy, for it contains no oplum or other injurious drug and may be given as confidently to a babe as to an adult. For sale by druggists. For forty years I suffered from sick head-nehe. A year sigo I began using Celery King. The result was gratifying and surprising, my beatherhes leaving at once.
